

What is Realm Connect?

Realm Connect is the online communication and database software that the Village Church of Northbrook uses to help us connect with each other and maintain important data.

- Realm provides a simple way to register for church events, such as retreats and fellowship opportunities
- Realm gives you immediate access and control over your and your family's information and giving
- Realm allows you to find and get connected to small groups within the Village Church
- Realm provides an online directory of congregants who opt in
- Realm is safe, private and secure

How do I create an account on Realm Connect?

Please visit www.onrealm.org/TheVillagePresb to create a Realm account. Once the form is submitted, our office manager will review your request to join.

You can also email info@villagechurchnorthbrook.org to request a Realm account. You will be sent an email containing a link to set up your account. Click the link through your browser (not the app) and enter your information and create a password.

Once your account is set up, you can log into the Realm Connect app using this account information.

How do I get the Realm Connect app on my device?

Android users, go to the Google Play store, and search for "Realm Connect." iOS users, go to the App Store, and search for "Realm Connect"

What if I forget my password?

On both the computer and app, when you try to log in there will be a "Forgot Your Password?" prompt. Click on that and follow the directions. If this doesn't work, you can contact our Office Manager for additional assistance.
